## **Online Pre-Registration for Incoming Exchange Students**

1. Set up a KUGonline applicant account: <u>https://online.kug.ac.at/KUGonline/</u> (ATTENTION! Please register for a new applicant account only ONCE!)

If you are already a student at our university, you don't need to create a new applicant account. You can log in with your student account and register for the type of studies you want (-> step 4)!

Lineate applicant account (in case you are not already studying at the University of Music and Performing Arts Graz.)	g Arts G
Staff should contact their KUGonline contact person ("KUGonline-Beauftragte*r") to receive a new PIN code. Log in   Applicants: Use the link <u>forgot your password</u> . Continue without login	

- 2. After creating an applicant account you will get an e-mail with a link for activation of your account (please note your login credentials = user name and password).
- 3. After your account is activated and you have assigned a password, you can log in on KUGonline with your login credentials (username/e-mail address and password).

4. After setting up an applicant account, you must proceed to the online application because setting up just an applicant account is not sufficient for admissions! On KUGonline you can **apply** for studies and fill in the online application at "Applications". Click on "Enter new application".

5. If you want to enrol as a **concurrently enroled student** or as an **exchange student**, please choose the type of studies "other study"- "Mitbeleger".
